IDLER DISASSEMBLY/ASSEMBLY [SKYACTIV-G 1.3, SKYACTIV-G 1.5]

id0110q3820100

Note

- The idler is only installed to vehicles without A/C.

2. Wrap the no longer usable drive belt tightly around the idler pulley.
3. Hold the drive belt in place with pliers.
4. Remove or install the bolt.
5. When replacing the idler body, replace the bolt.
