CRUISE CONTROL SWITCH REMOVAL/INSTALLATION [SKYACTIV-G 1.3, SKYACTIV-G 1.5]

id0120q1105400

Note
- The cruise control switch is a component part of the steering switch and cannot be removed as a single unit.
- If the cruise control switch requires replacement, replace the steering switch as a single unit.

1. Remove the steering switch. (See STEERING SWITCH REMOVAL/INSTALLATION.)
