ENGINE TECHNICAL DATA [SKYACTIV-D 1.5]

id0180q2002800

Purpose of Adoption
- For improved fuel economy, a new engine oil with low viscosity (OW-20) is used with the SKYACTIV-D 1.5 engines.

Service Point
- The new oil (OW-20) cannot be used in SKYACTIV-D 2.2.

Common Inquiry
- Not applicable

Other
- A high viscosity index oil that ensures kinetic viscosity temperature at high temperatures and lowers the kinetic viscosity temperature at low temperatures is used.
